Additional regulations under the Epidemic Diseases Regulation, 1897, for Municipalities other than those of the Cities of Bangalore and Mysore and for towns and villages.

As plague threatens to attack Mysore, the Government of Mysore, in exercise of the powers vested in them under Section 2 of the Epidemic Diseases Regulation, 1897, are pleased to prescribe, under the said Epidemic Diseases Regulation, the following additional temporary regulations to be observed in municipalities other than those of the Cities of Bangalore and Mysore and in other towns and villages in the said territories :—

1. Should it appear that plague imminently threatens to attack any district, the Government of Mysore may declare such district or part of it to be "Under Observation."

2. Thereupon the Plague Commissioner shall establish frontier inspection stations in such district or part of it as he may deem necessary ; these shall be established as near as may be to the frontier on roads.

3. At each frontier inspection station shall be erected a sufficient number of sheds for hospitals and observation purposes ; and disinfectants and stores shall be maintained.

4. All persons shall be allowed to pass freely, except—

(*a*) those suspected of plague.

(*b*) those suspected of arriving from an infected locality.

5. (*a*) All persons suspected of plague, with their families and attendants, shall be detained, information being urgently sent to the nearest Revenue Officers of or above the grade of Amildar or Deputy Amildar and the nearest medical officer. Such officers shall inform the District Medical and Sanitary Officer as well as the Deputy Commissioner of the district and proceed to the spot to aid in effecting isolation and disinfection.

When the officer in charge of the frontier inspection station may declare such course to be safe, the persons detained may be released and sent to their destination under escort or with passports as prescribed below—

(*b*) persons suspected of arriving from an infected area may be disinfected if the Deputy Commissioner so orders and also shall be sent under escort or provided with passports which shall bind them to present themselves for daily inspection for the next ten days before the police station house officer or patel of any village where they may be. As passports are issued, the officer in charge shall inform by post card or otherwise the police station house officer and the patel of the village of destination.

Passports are issued to persons of ascertained respectability if they give satisfactory assurance or furnish security at the frontier inspection station that they will report themselves daily to an authorized officer at place of destination for observation or that they will be available for observation at their homes at hours previously fixed for observation. Escorts may be sent with persons who promise to give such assurance or security at the places of destination to the satisfaction of the local officers. Lists of such passengers shall be forwarded either by wire or post or through an escort to the local authority at place of destination and any one failing to report or to be present at his house at the hours appointed may be prosecuted. Passengers must report to the examining authority any change of residence during the period of observation and failure will entail the forfeiture of the bond and will further expose them to prosecution. After the period of observation is over, the security shall be returned to the passengers concerned.

The officer in charge of a frontier inspection station may also, when specially authorized by the Deputy Commissioner, detain all passengers from an infected area who appear to be suspicious whether by reason of their appearance, the dirty condition of their clothes, or the fact that they are travelling in gangs, or belong to classes which are likely to disseminate the disease or cannot be traced on arrival at their destination or depended upon to give information should plague occur among them after arrival at their destination or for any other reason. Such officer shall have the widest discretionary power, subject to the general or special orders of the Government or Deputy Commissioner to decide what person shall be considered "Suspicious" for the purposes of this rule.

Any person refusing to comply with or attempting to evade this rule may be detained for ten days at the nearest inspection station, or other place appointed by the Deputy Commissioner for the purpose.

Every person passing a frontier inspection station shall be bound to declare his destination truly.

6. *Pass-ports.*—Pass-ports shall be in the form attached.

The Deputy Commissioner may exempt from the necessity of taking out pass-ports any person with regard to whom there are no reasonable grounds for suspicion of infection.

7. *Disinfection.*—When it is provided in these Rules that disinfection may be employed, disinfection, as follows, as often as seems to him necessary, may be ordered by any Plague authority, unless where otherwise provided—

Of the person.—(If specially ordered by the Deputy Commissioner). In a bathing tub with Jeyes' fluid or carbolic acid, strength 1 in 100.

Of travellers' bundles.—(1) If specially ordered by the Deputy Commissioner, to be opened out and steamed for 20 minutes by steam pressure of 20 lbs. and temperature 250°; or (2) otherwise, to be treated as below.

(2) The amount for which the privilege has been purchased shall be payable into the local Government Treasuries on printed chellans furnished for the purpose by Government, in equal monthly instalments commencing from 1st July 1898; each instalment shall be regarded as the rent for the month in respect of which it is payable. Each month's rent shall be payable on or before the 20th of the same month. If default is made, the Amildar may, with the sanction of the Deputy Commissioner, declare, by record in writing, that the license is forfeited, and proceed to re-sell the farm as soon after the last day of the month as may be possible. Provided, however, that instead of re-selling the farm as above, the Deputy Commissioner may, in his discretion, direct the Amildar to break up the defaulting farm into the existing number of shops within it, and to give each separate shop-keeper a license for the rent he agrees to pay, provided the total of such rents is not less than what the defaulting farmer had agreed to pay.

(3) (*a*) The deposit made by the licensee shall be taken in payment of the instalments due in the last two months of the period of the farm. Provided, however, that where the farm is re-sold or broken up under the provisions of sub-clause (2) above, the deposit shall, at the discretion of the Deputy Commissioner, be either forfeited or be appropriated towards the arrears due by the defaulter, as well as towards the deficits, if any, arising from the re-sale of the farm. The balance of such arrears and deficits, if any, shall be recoverable from the licensee under the rules in force for the recovery of arrears of land revenue. No remission or abatement of the rent or compensation shall, on any account whatever, be claimable by the licensee.

(*b*) Interest at 6 per cent per annum shall be recoverable on all arrears from the date of default, and on deficits from the date of re-sale.

(4) (*a*) The licensee shall purchase Arrack for issue to his shops from the "Madras Consolidated Sugar and Spirit Factories, Limited," who have been appointed manufacturers of Arrack and other country spirits to the State, or from any Bonded Depôt established under the sanction of Government. The rate to be charged by the said manufacturers for Arrack supplied by them, shall be $6\frac{1}{3}$ annas per gallon of 20° under-proof, and proportionate rates for lower strengths in accordance with Casella's rules. The licensee shall sell arrack to the public at Rs. 6-6-0 per gallon of 20° under-proof (*i. e.*, at annas 2 per dram which is equal to $\frac{1}{51}$ part of a gallon), and at proportionate rates for lower strengths.

(*b*) The above rate to be charged by the manufacturers is in addition to excise duty, which shall be prepaid into the local Government Treasury, as per following condition (5), at Rs. $4\frac{3}{4}$ before the removal of Arrack from the Distillery, or from any Bonded Depôt established under the sanction of Government.

(5) The licensee shall pay the above duty into the local Taluk Treasury and obtain a receipt in the prescribed form. On production of such receipt and an indent for the supply of Arrack covered by the receipt, and on payment of the prescribed price of such Arrack to the manufacturers or their agent, or any person appointed by Government in this behalf, the Supervisor or other officer in charge of the Distillery, or the Bonded Depôt-keeper, as the case may be, shall issue the quantity of Arrack equal to the amount of duty shown in the Treasury Officer's receipt, which will be forwarded to the Excise Commissioner's office under the endorsement of the Supervisor, or other officer, or Bonded Depôt-keeper aforesaid, as to the date and hour when the Arrack was issued. The Supervisor or other officer aforesaid shall issue a pass in duplicate in the prescribed form, under the rules in force for the transport of the Arrack from the Distillery. The licensee who obtains Arrack from a Bonded Depôt shall pay both the price of Arrack and duty into the local Taluk Treasury.

Should there be no bids for any of the aforesaid tracts singly, the officer conducting the sale may revise the tracts at discretion, clubbing together more than one tract, or selling the tracts by taluks, or, if necessary, reserving special tracts in which there may at present be no shops for disposal afterwards.

2. The exclusive privilege above described will be put up to auction, farm by farm, and each farm put up to auction will be knocked down to the approved highest bidder, subject to formal confirmation by the Deputy Commissioner, who will be at liberty to accept or reject the bid at discretion without assigning reasons for the same. Such formal confirmation will, *unless revised by Government, for special reasons*, be tantamount to an acceptance of the bid.

3. Parties intending to bid must attend either in person or by duly authorized agents. The successful bidder must, on the farm being knocked down to him and before the next farm is put up for sale, deposit a sum equal to ⅛ths of a month's rent; and within fifteen days from the date of confirmation of sale by the Deputy Commissioner, he must deposit such further sum as, with the former deposit, will make up an aggregate sum equal to two months' rent. If he fails to make either of the deposits aforesaid, the deposits already made will be forfeited, and the exclusive privilege will be immediately re-sold or otherwise disposed of as the Deputy Commissioner may direct; and he shall be debarred from bidding again for the same or for any other farm.

4. Re-sales effected under para 3 will be at the risk of the defaulting bidder, who will forfeit all gain, and in the event of a loss by the re-sale, will make good the deficiency between the total amount payable by him for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the re-sale. In the latter case, the forfeited deposit will be deducted from the loss arising from the re-sale; and the remainder, if any, will be recovered from the bidder in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposit be greater than the loss by re-sale, the whole of such deposit will be credited to Government.

5. The purchaser of the exclusive privilege shall sign an agreement binding himself to observe the conditions hereinafter set forth; and the agreement shall be executed within ten days of the expiry of the period of fifteen days above mentioned. If the purchaser fails or refuses to sign the agreement, all deposits already made will be forfeited; and the exclusive privilege will be re-sold at the risk and loss of the first purchaser as set forth in paras 3 and 4, or be otherwise disposed of. In the case of the purchaser's death after confirmation of the sale, it will be binding on his heirs or assigns.

6. The details of consumption of Arrack in the shops of the existing farms and at depôts, the amount of rental of each farm, &c., for several years past are specified in the appended schedule.

7. As soon as the agreement has been executed, the Deputy Commissioner will issue a license in the prescribed form, assigning to the purchaser the exclusive privilege referred to therein, subject to the following conditions :—

(6) The licensee in the Bangalore district shall maintain at a place or places within his farm where it may be considered necessary by the Deputy Commissioner, a depôt or depôts to which all Arrack purchased by him shall in the first instance be conveyed in his own casks for verification, &c., of the consignment under the rules in force, before issue to the shop-keepers. The depôts shall at all times be opened to inspection by the Deputy Commissioner or any officer of the Excise Department. No such depôt shall be opened without a license from the Deputy Commissioner in the prescribed form. The licensees in the remaining seven districts will draw their supplies from, and deposit the same for issue to their shops in, the existing Bonded Depôts, the cost of the establishments and rent whereof being borne by the Government contractor for carriage of Arrack to Bonded Depôts.

(7) The Arrack shall be sold as issued from the Distillery, Bonded Depôt, or Farm Depôt, and shall not be adulterated or diluted in any manner in the shops.

The passes issued with the arrack purchased by him shall be subject to examination and check under the Rahadari rules in force or which may be issued by Government from time to time.

(9) The Arrack shall not be sold except in shops duly licensed by the Deputy Commissioner in the prescribed form, and no new shops shall be opened without the previous sanction of the Excise Commissioner.

(10) The Deputy Commissioner may, whenever he thinks fit, direct any shops to be closed, or permit transfers of shops from one place to another.

(11) The licensee shall not, during the term of the license, have any interest in the exclusive privilege of vending toddy in any part of the farm to which the license relates, nor permit any person having interest in the exclusive privilege of vending toddy in any part of the farm, to hold any share or interest in his exclusive privilege of selling Arrack; nor shall he, during the term of his license, without the written permission of the Excise Commissioner, have any interest, direct or indirect, in any Arrack farm in any Districts of the Madras or Bombay Presidency under the British Government or in any other Foreign State or Territory.

(12) The licensee shall be bound to take over any Arrack which may remain as stock in hand belonging to the out-going farmer on the 1st July 1898 in the existing Bonded Depôt in his farm, or in the Farm Depôt, or in his shops, paying to the out-going farmer such compensation for the same as may be fixed by the Excise Commissioner.

(13) The licensee shall be bound by the provisions of the Excise laws and rules in force, and by any additional rules which may from time to time be prescribed under the Excise laws. The licensee shall use such measures as may from time to time be prescribed by Government, and provide himself with the prescribed forms of Accounts and permits or passes for the transport of arrack, which forms shall be purchased from the local Excise officers.

(14) The farm shall not be transferable except with the permission of the Excise Commissioner.

(15) Resignations of farms in whole or part will be summarily rejected by the Deputy Commissioner.

8. In case of any breach of the aforesaid conditions or of the license either by the licensee, or with his connivance or privity by any person in his employment, or in the event of the licensee neglecting to open his shops or to carry on the business of his farm with due care and attention, it shall be competent to the Deputy Commissioner to impose upon the licensee a fine not exceeding the sum of Rs. 50 for every such breach of such conditions or for such neglect, or at the option of the Deputy Commissioner to declare the money deposited with him forfeited and to cancel the license and re-sell the exclusive privilege or to otherwise dispose of it, at the risk of the licensee or to place the farm under the management of Gov-

ernment; and all loss thereby caused, together with all losses accruing to Government in consequence of the licensee's neglect to carry on his business by opening his shops on 1st July 1898, should be made good by the licensee. When a farm is cancelled, the rent for the whole period of the farm shall become due at once. All such amounts of penalties and losses shall be recovered in the same manner as if they were the arrears of land revenue.

9. The imposition of a fine or the forfeiture of deposit or the cancellation of the license under the last preceding condition shall not be held to prevent the prosecution of the licensee or his agents or employes for any offence punishable under the Excise laws or other law for the time being in force.

Cocoanut	2 2 0
Palmyra	1 9 6
Bagani or Sago palm	1 9 6
Dadasal (Arenga wightii)	0 8 6

NOTE—The licenses will be free of tax to the Mysore Government in the cases specified in clause 1 (*b*) and (*c*) above.

(10) The Government waive for the current year the levy of a rent, in addition to tree-tax, on Government trees tapped for supply of shops included in this Notification.

NOTE (1) Tree rent at 4 annas per tree with local cess thereon shall be levied for Government trees tapped for the supply of shops in the Civil and Military Station of Bangalore and those outside the Territories of Mysore.

NOTE (2) No trees upon Government occupied land can be tapped without the consent of the owner. The present arrangement as regards trees on alienated land will hold good subject of course to the levy by Government of tree-tax.

(11) The tree-tax shall be payable in the following instalments, unless the Excise Commissioner shall otherwise direct—

Period within which license is applied for.	Proportion of tree-tax to be paid at the time of application for license.	Proportion of tree-tax to be paid before the end of the month following.
Between 1st July 1898 and 30th April 1899.	One-third	The remaining two-thirds.
Between 1st May 1899 and 30th June 1899.	The whole.	

(12) Under the arrangement which has been arrived at with the Government of Madras, the tree-tax on toddy produced by the trees in the Madras Presidency but consumed in the Mysore State, will be credited to the Mysore Government and *vice versa*. The rate of tree-tax to be paid in such cases will invariably be the highest in force on either side of the frontier. The following procedure shall be observed on the subject—

(1) Tree-tax on trees in the Madras Presidency for which tapping licenses are about to be taken out by Mysore shop-keepers, must be paid in one instalment to the Amildar of the taluk concerned in the Mysore State, who will grant a receipt in the prescribed chellan form and certify at the foot that the applicant is a person entitled to take out tree-tapping licenses. The applicant will then make his application to British authorities in accordance with the Madras Government Tree-tapping Rules, and will obtain a Transport Permit from the Supervisor concerned in the Mysore State for the transport of the toddy drawn from the frontier to the shop or depôt for which it is intended, after having complied with all requirements of the Madras Government Rules.

(2) A shop-keeper or renter in the Madras Presidency desiring to obtain toddy from trees growing in the Mysore Territory, will pay into the Thasildar's Treasury concerned in the Madras Presidency, the tree-tax on the trees which he proposes to tap. The Thasildar, after satisfying himself that the applicant is a person who is entitled to take out a tree-tapping license, will grant a receipt with this fact certified at the foot.

(3) The applicant will then proceed to make an application to the proper Mysore authorities in accordance with the Tree-tapping Rules in force in that State. The Mysore authorities concerned will accept the receipt and certificate as evidence that the amount mentioned has been paid, and that the applicant is a person by whom an application for a tree-tapping license may be made. It must, however, be distinctly understood that licenses may be refused at discretion in the case of trees reserved by the Excise Department for the purpose of giving them rest or for other reason considered sufficient by the Officer refusing the license. The issue of licenses, marking of the trees, &c., will be effected in precisely the same manner as if the applicant were a shop-keeper in the Mysore State, the number of trees to be licensed being calculated at the higher rate of the two, whether British or Mysore, if the rate is not the same on both sides of the frontier.

(4) The Supervisor concerned in the Mysore State will issue Transport Permits to the frontier in the usual way, care being taken, as far as possible, to prescribe a route which does not involve the toddy approaching near any Mysore toddy shops. The latter should not be located along any of the main routes by which toddy is exported to the Madras Presidency, if it can be avoided; and the attention of the Deputy Commissioner concerned should be invited to the desirability of removing adjacent shops to a distance. It will be for the British Officer to grant permits from the frontier on to the destination of the toddy.

(5) Transport Permits, for toddy exported by rail, will be given in batches of seven or any other requisite number, one for each day, to allow of a Transport Permit being invariably attached to the Way-bill.

(13) In the tree-tapping licenses granted on the application of British renters and shop-keepers, the following rule will be inserted—

"All toddy drawn by the licensee shall, as soon as the pots containing it are removed from the trees, be immediately conveyed direct across the frontier into the Madras Presidency, under a General Transport Permit granted by the Deputy Commissioner of the district, or other duly authorized officer or person. Transfers of toddy, even by way of gift, between the time of drawing and crossing the frontier, and tree-foot sales or sales in the open, or the disposal of the toddy in any other manner unauthorized by the rules in force, are strictly prohibited."

(14) Licenses to British shop-keepers to tap trees in the Mysore State are granted in consideration of the payment of tree-tax to the British Government, and are liable to cancellation at its request, or that of any Officer duly empowered by it in this behalf.

(15) Toddy drawn from British trees may be allowed to pass across Mysore Territory on permits granted by British officials, provided they are countersigned by the Supervisor of the Range in Mysore Territory through which the toddy is being transported.

(16) Every person to whom a tapping license is granted for the manufacture of toddy either for local consumption or for export to British Territory, shall observe the following rules in tapping date trees—

(*a*) Trees tapped one year shall not ordinarily be tapped the next year.

(*b*) Trees shall not be overtapped or overworked.

(*c*) In no date tree shall the initial incision be made at any point less than three feet from the ground except in places where permission is specially given.

(*d*) No date tree shall be cut to a greater depth than one-third of its diameter.

(*e*) Every fresh incision shall not be less than one foot above the last incision, except in localities where permission is specially given.

(*f*) Not less than eight leaves should be left on each tree.

(*g*) The licensee shall not cut or injure or permit to be cut or injured the trees licensed to him, or any other trees.

(*h*) The licensee or his employer will be liable to pay a fine of one rupee for each tree which may die from over-tapping or careless tapping either during the lease or within six months after its expiration.

7. In case of any breach of the conditions of the license, either by the licensee, or with his connivance or privity by any person in his employment, or in the event of the licensee neglecting to open his shops or to carry on his business with due care and attention, it shall be competent to the Deputy Commissioner to impose upon the licensee a fine not exceeding the sum of Rs. 50 for every such breach or neglect, or at the option of the Deputy Commissioner to declare the money deposited with him forfeited, and to cancel the license, and resell the exclusive privilege or otherwise dispose of it at the risk of the licensee, or to place it under the management of Government.
